## 2004 SWEETWATER RANCH CABERNET SAUVIGNON NAPA VALLEY

The Sweetwater Ranch vineyard produces grapes with intense flavors and individuality that sets it apart from other Napa Cabernets. Grape quality for the 2004 harvest was very good with a crop that was smaller than average. This gave the grapes intense flavors and overall balance, which make this Sweetwater Ranch a beautifully bold Cabernet Sauvignon.

<b><i>Winemaker:</i></b>	Alison Green Doran
