

Winemaker:

Alison Green Doran

Appellation:

Napa Valley

Composition:

96% Cabernet Sauvignon,
4% Malbec

Oak Aging:

30 Months, 60% New Oak

Tasting Notes:

A big briary nose, with black licorice and black coffee. The palate is full and zingy with classic Cabernet Sauvignon flavors of black cherry and wild thyme. Very alive and deeply intense, the dark chocolate and black coffee reach far down into the wine's structure. A very beautiful wine now, and will only enhance over the next few years by gaining more grace and elegance.

LEVENDI

Our Story

Levendi is a family owned, boutique winery located in Napa Valley, California. The Gianulias family has a strong Greek tradition of private winemaking dating back for centuries. Since 1926, on American and Napa Valley soil, they have propagated, refined and developed handcrafted vintages to share with family and friends.

Yasou Levendi

The Greek toast "Levendi" acknowledges a hard day's labor and achievement. It celebrates the fields, the rain and the sun that nurture our special grapes. Essentially, it's a toast "to celebrate life." And it is the philosophy on which we craft our wine.

Winemaker

At Levendi, Alison has brought vitality and excitement to the development of each vintage. The result of her labors is embodied in the exquisite taste and velvety feel our wines deliver glass after glass. This is a testament to Alison's dedication to the vineyards, to the fruit and to her passion for the perfect pour.

For more than 45 years, Alison Green Doran has been walking the vineyards that produce the finest varietals in the region. Spending a majority of her time on vineyard management, Alison keeps an eye on every aspect of vine growth limiting their vigor so that they produce the most concentrated and intensely flavored grapes.

Alison Green Doran

Vineyard:

Stagecoach Vineyard

Appellation:

Atlas Peak, Napa Valley

Composition:

Cabernet Sauvignon

Oak Aging:20 Months, 60% New,
100% French Oak**Tasting Notes:**

A big, robust classic Cabernet Sauvignon, with cassis and mocha. This wine shows the characteristic briary Atlas Peak attitude. Brambly flavors with intense notes of new leather and sweet black cherry jam. Soft, ripe mountain tannin on the finish as proof of provenance, with an expandingly rich palate.
