### 2022 PERSPECTIVE CHARDONNAY

The 2022 growing season provided a journey of contrasts, from early bud break to warm spells followed by cooling tropical showers. Each phase contributed to the character of the grapes, allowing us to craft a Chardonnay that captures the best of the vintage.

### TASTING NOTES

#### APPEARANCE

Bright straw colored with silver highlights.

#### NOSE

Bold aromas of tropical fruit, kiwi, and tangerine.

#### PALATE

The wine mid-palate amazes with layers of earthy pear and citrus tones continuing through.

#### FINISH

The beguiling and sophisticated finish is bright and crisp, with lingering pear notes throughout.

\*Food pairing: Turkey, Roasted Chicken, Boiled Lobster
